

Capability Statement

Founded in 2009, Copperhead Custom, Inc., a Certified Women Owned Business, is your landfill gas line rejuvenation expert. Our proprietary equipment and techniques can cost effectively solve your landfill pipeline problems quickly and efficiently. Our goal is to get you back in production and generating revenue as fast as possible. With our years of extensive experience servicing Commercial, County and Federally owned landfills we have seen and fixed both simple and complex pipeline problems. Where others cannot, or have not, Copperhead Custom can!
